

2010 Member and Garden Registration

We are all looking forward to the 2010 season, and we need your support to help us continue the Farm's programs for the community. Please *join* as a Supporting Member for this year, or *register* for membership with your own garden at the Farm.

Need help with weeding or watering? Don't let your garden go to seed! Just call us and we will help find someone to weed and water your garden. Email us at gardeners@eecofarm.org and tell us what you need.
